

**TRAILS END WATER DISTRICT**  
**ZOOM Working Session**  
**2/26/21 MINUTES**

**CALL TO ORDER:** The working session came to order at 4:35 pm

**ATTENDANCE:** Deb Watson, Joe Morris, Sarah Carlson, Commissioners

**DISCUSSION TOPICS:**

Ms. Watson reported that we now have the switch for the generator. She and Nick Howell have scheduled a time for the installation on 3/27/21.

Mr. Morris reported that we had a leak under the road at 1000. He did a quick, temporary fix but a permanent fix needs to be done. It will require either boring under the road or digging it up in order to put down new pipes. Mr. Morris is going to get estimates for hiring someone to bore under the road. We will then make a decision on boring vs. digging up the road.

We discussed agenda items for the 3/9/21 meeting. Ms. Watson will be attending via zoom as she will not be in town. The agenda will include a discussion of return to in-person meetings, updates on the system and a discussion of an IRS issue.

**ADJOURNMENT:**

The meeting adjourned at 5:08
