

**TRAILS END WATER DISTRICT**  
**5/29/20 Working Session**  
**MINUTES**

**CALL TO ORDER:** The working session came to order at 4:30 pm

**ATTENDANCE:** Deb Watson, Joe Morris, Sarah Carlson, Commissioners

**DISCUSSION TOPICS:**

Water Line Break: Same owner on both properties. Discussion on responsibility of repair and damages. We have a problem with the 811 system. The district was not listed in their system. We don't have appropriate maps. The owner did not contact the district for information and the line was many inches higher than it should have been. The contractor who broke the line stayed at the scene and by his quick action and work, the situation was greatly mitigated. Deb feels we need to charge for our costs. What do we need to do to get on 811 to recognize us? Chlorination is progressing.

Annual State Auditor's Office Report: Sarah reported that the annual report has been submitted and we received confirmation of completion from the auditor.

Sarah follow up on 811.

Set agenda for 6/9 meeting.

**ADJOURNMENT:**

The meeting adjourned at 5:45 pm.
