

TRAILS END WATER DISTRICT
7/12/19 Working Session
MINUTES

CALL TO ORDER: The working session came to order at 10:10 am.

ATTENDANCE: Joe Morris, Sarah Carlson, Commissioners
Denise Snow, Office Manager

DISCUSSION TOPICS:

At the 7/9/19 regular meeting, the commissioners agreed to study a sampling of our customer account to ascertain what the potential rate increase would look like in our various categories (regular, recreational, mini-minimum, tiers, etc.) All three people present worked on this project. There was considerable discussion as the figures from both the rate study and the account sampling were gone over. A consensus was reached on a recommended course of action and a comparison document put together. Ms. Snow will forward this document and recommendation to our attorney, Anne Montgomery, for her review and preparation for further discussion at the August meeting.
