

TRAILS END WATER DISTRICT
8/23/19 Working Session
MINUTES

CALL TO ORDER: The working session came to order at 10:30 am

ATTENDANCE: Joe Morris, Sarah Carlson, Commissioners

DISCUSSION TOPICS:

Mr. Morris reported on updated information he has obtained regarding testing on Source 4. He also reported that a customer complained about being ill and concerned about the water. Mr. Morris said he did a flush of the system and repeated the sample testing. There is no contamination in the system. The information was related to the customer.

An e-mail was received from the State Auditor's Office asking us to attach a Schedule 22 to our 2018 annual report to continue to be eligible for an Assessment Audit instead of an Accountability Audit. She is working on that and hopes to have it completed today.

ADJOURNMENT:
